Sorry for the multiple reschedules. We will not be presenting until 2 pm our time, but I'm sending this out so we are in the room, assembled and ready to go when they come back from lunch. 😊

PPT we will be presenting is attached.

I anticipate this will be a good way for everyone to become more familiar with 404(g). Not a requirement for anyone but myself and Eliodora, but probably very useful.

I have a hold on pacific.
